

NORTH STAR CAMP CAMPER PACKING LIST

Even if you are a camp veteran, please read over this list as required items may change each year.

All campers need everything on the list, except where noted. Laundry occurs once a week, so you are packing for approximately 10 days of clothes (a few extra days just in case). If you know your camper goes through clothes faster or is prone to misplacing clothes that may end up in lost & found, please pack more as needed. You may also want to take this time to discuss the importance of taking care of their belongings (and camp's property) to your camper.

Campers who are going on the Canadian (current 9th graders attending 1st Session or 8 weeks) have a specific [Canadian Trip packing list](#).

BAGGAGE

2 DUFFEL BAGS

If you are buying new duffels, get standard, heavy duty duffels that can withstand the wear & tear of travel to and from camp.
No hard sided foot lockers/trunks, please!

For campers flying to camp, **most airlines charge oversized baggage fees (\$200+)** for bags above 62 linear inches (L+W+H). Bags over 80 linear inches will likely be rejected by the airlines.

OUTERWEAR

1 RAIN COAT OR WATERPROOF JACKET WITH HOOD **NO PONCHOS!**

1 MIDWEIGHT FLEECE JACKET

**A fast-drying jacket. Ideal for trips! (Avoid cotton fleece/sweatshirt material which doesn't absorb moisture.)*

1 WOOL OR FLEECE HAT **Ski hats work great.*

2 BASEBALL HATS

Please label your camper's gear with their **full name**.

FOOTWEAR

- 2 PAIRS OF TENNIS SHOES
- 1 PAIR OF RAIN BOOTS
- 1 PAIR OF AQUA SHOES
- 1 PAIR OF SHOWER SHOES/FLIP FLOPS

*Hiking boots or old gym shoes work great.

Aqua shoes need to stay on in the water (i.e. Chacos, Tevas, aqua socks, etc.). These are **not** flip flops, as they come off easily in the lake.

*Aqua shoes from above also work.

IF YOUR CAMPER IS CURRENTLY A:

- **7th Grader and attending 2nd Session or 8 weeks** OR
 - **8th Grader and attending 1st Session or 8 weeks**
- THEN THESE FOOTWEAR ITEMS ARE NEEDED TOO:

- 1 PAIR HIKING BOOTS W/ ANKLE SUPPORT

Hiking boots recommended, not hiking shoes. Make sure your camper breaks them in before camp. Wearing worn-in boots on hiking trips results in fewer blisters.

- 2 PAIRS OF MIDWEIGHT HIKING SOCKS

Wool or synthetic only. Cotton does not dry quickly and contributes to blisters.

MISCELLANEOUS ITEMS

Synthetic fiber sleeping bags recommended. They compress easily and dry much faster than down/cotton sleeping bags.
