

Dear Parent,

Sign-ups for private tennis lessons are now open. You are able to sign up for the lessons by going into your [campintouch account page](#), clicking the forms and documents link and selecting the "Private Tennis Lessons" form. The form is an online submission.

The lessons, which will cost \$175 per four week session entitles a camper to six lessons. Those lessons will last approximately 40 minutes. **Please note, that even if your son does not sign up for the lessons, he will still be available to enroll in our main tennis program.** We will add the charge for the lessons to the balance owed on your overall camp account unless you opt to pay separately.

****You will receive a confirmation email if you request tennis lessons. If you do not receive this email within 48 hours of submitting your tennis form, please email me at dan@northstarcamp.com so I can investigate further****

If your son is an eight week camper, you will have the option to select an eight week tennis option. Initially, he will be given a four week enrollment and if spots remain, he will then be enrolled for the other session. Please note that we do not take session requests for eight week campers so that we are able to accommodate as many camper requests as possible. Eight week Pine Manor campers going to Canada will be given second session preference due to their extended 1st session trip. Campers going to Canada that are only 1st session will be able to receive a full slate of lessons during their time at camp.

Please feel free to email me with any questions or if you have any problems logging into the campintouch system.

Dan
