

## North Star Camp - Housekeeper

### Who We Are

North Star Camp is a residential boys summer camp located in Hayward, Wisconsin. Every summer, approximately 300 campers come to the shores of Spider Lake to make new friends, learn new skills, grow as individuals and make memories that last a lifetime. Our incredible staff come from all over the world to create a nurturing and fun environment. We are actively hiring great role models who are energetic, collaborative and hard working to join the team for this summer. Ready to make a difference and have the best summer of your life? We'd love to have you apply!

### The Role In A Nutshell

We're looking for a Housekeeper to help run our laundry facility and other housekeeping tasks at camp. Every day, we wash, dry and fold camper and staff laundry on-site at camp. With so many people in our camp community, there's a lot of dirty clothes to clean throughout the summer! Additional responsibilities in this role will include light cleaning duties in cabins and buildings around camp. This role starts June 1 and runs through mid-to-late August at our summer camp in Hayward, Wisconsin. Room and board is included with compensation.

### A Typical Day on the housekeeping team (not that there's a typical day at camp...)

- Wake up and grab breakfast with the team.
- Hop in the golf cart and pick up the dirty laundry that Cabins J-2, J-3 and J-4 have left outside to be cleaned.
- Drive the laundry bags over to the Laundry Area at camp. Empty each bag into its own washer, add the detergent and start the cycle!
- While you have a moment, head over to the storage room and organize the sheets, pillows, and blankets that we have onsite.
- Ding! The buzzer goes off from the washers, so it's time to move over all the loads to the dryers. Once the washers are empty, fill them right back up with the next camper's dirty clothes.
- Some of the out-of-cabin staff cabins need supplies replenished, so while all the washers and dryers are in use, you head over to their cabins to bring more toilet paper and soap for them. A quick cleaning of each cabin's sink is also in order.
- The morning went by super fast! It's already time for lunch. Head to the Lodge and grab some chicken nuggets with the rest of the team.
- After lunch, grab the golf cart to pick up the dirty laundry from J-5, J-6 and J-7.
- Now that the first round of laundry has been completed in the dryer, fold the clothes and towels for each camper and neatly put it back in the laundry bag.
- Once each cabin's laundry has been folded, grab the golf cart and head back over to deliver the laundry to them!

- Man, the day flew by. It's already time for dinner. Grab some hot dogs and brats and start planning the skit that you and your camp friends will perform at that evening's staff show.

#### **This Job Might Be For You If:**

- ***You love service with a smile.*** Our housekeeping team works six days a week making sure that campers always have clean clothes and areas around camp are clean and tidy. We're looking for people who are friendly and willing to lend a helping hand for whatever comes their way.
- ***You're an efficient worker.*** The days go fast at camp, but when we are doing so much laundry each day, we need to be sure we're maximizing our time. Making sure we're switching loads from the washers to dryers and folding clean clothes helps make sure that we'll get back the laundry in a timely manner.
- ***You're a team player.*** Our housekeeping staff is a small but mighty team. There's a lot on the team's plate – both in the laundry facility and with cleaning tasks around the cabins. Working together with your teammates and doing it in a friendly, helpful manner is crucial for success.
- ***You're flexible and adaptable.*** Staff members will come to you with things that maybe you weren't expecting – some sheets from a camper who wet the bed overnight or a staff cabin that needs some extra TLC. Whatever the situation, you're willing to spring into action to help out!
