

## New for Summer 2024: Bedding/Towel Service

In an effort to make life a little easier for you, we're excited to tell you that new for the summer of 2024, we are going to offer bedding and towel service for all campers. This is completely optional, but will offer campers all bedding and towels provided by camp. Those who sign up for the service will have their campers receive:

- 2 bath towels
- 2 beach towels
- 1 pillow and pillow case
- 1 mattress pad
- Blankets
- Flat and fitted sheets

We're hoping that doing so will allow our campers to go down to one duffel bag, saving costs on traveling with bags.

More information on the bedding program, including pictures, can be found at: <https://northstarcamp.com/current-families/bedding/>

The cost to participate in the program is \$75 for the summer, whether your camper is a four weeker or eight weeker.
